Thank you for your interest in using the children's picture book *A Glove of Their Own* as a fundraiser for your school. We are thrilled to be able to use this book to increase awareness regarding the struggles faced by so many children across the nation and abroad. Play is such a vital part of childhood and many children miss out because they lack the simplest things, including a bat, a ball, or a glove. By providing this opportunity, your students will not only enjoy a touching story as they raise money for their school, a portion of their sale will also help other children who long to have...*a glove of their own.*

For every book sold \$3 will be donated back to your school. Please follow these simple instructions to ensure a smooth transaction.

1. Distribute order form with a brief cover letter to parents giving them 2 to 3 weeks to return it.
2. Collect order form along with checks payable to your PTO/PTA or school at a cost of \$15.95 per book sold.
3. Write out one check payable to **Franklin Mason Press** being sure to deduct \$3.00 per book sold. Example: If 100 books are sold, you will collect \$1,595.00 from parents. You will then write a check to Franklin Mason Press for \$1,295 and keep the \$300 as a donation to your school.
4. Keep all order forms at school and organize them by teacher to make distribution of books easy.
5. Send a note with the total number of books sold and a check to:
Franklin Mason Press

6. Books will be mailed to your school, free shipping.

Thank you again for participating in this worthwhile program and helping Franklin Mason Press to *play the game forward!* If you have any questions, please contact Bob Salomon at 732-604-0468.

A portion of each sale is donated to Pitch In For Baseball, Sports Gift, and Good Sports, non-profit organizations that provide children with sports equipment and opportunities to get outside and play.
